### *BUSINESS AND CHARITY SOLICITATION*

Board Approved: August 1972

Last Revised: June 19, 2013

---

#### Description:

The Board of Education wishes to support appropriate community, service and charitable organizations.

With the exception of those agencies specifically authorized in this policy, all agencies, associations, groups or individuals canvassing schools for funds, publicity or business opportunities, must obtain permission from the Superintendent of Schools prior to approaching schools.

Pupils may be asked to contribute money towards the following projects:

- Sale of poppies for Remembrance Day;
- Student lead initiatives for charitable purposes.
