Head Lice

It is that time of year again. Please check your child's hair regularly.

Adding hair gel and other products sometimes deter them. Please do not use tea tree oil or other scented products on school days.

Dress for The Weather

As cooler weather arrives it is important to dress in layers. Students may need a change of clothing if they are actively playing in the snow and wet. Please wear snow pants when playing in the snow. Just a reminder, we go outside as often as possible!

Halloween activities will be during the afternoon of Thursday, October 31st. The morning will be a regular academic morning.

Please do not send students to school in their costumes. Students can put on their costume after lunch and wear it for the afternoon. Costumes should be easy enough for students to put on by themselves as we have limited changing spaces.

Please do not send, guns, knives or other weapons with costumes as students will not be able to use them.

Once students have their costumes on, they will join the school-wide student costume parade at 1:00 p.m. Teachers will send home information regarding what is happening in individual classes.

Please note: all volunteers must have an approved records check and volunteer agreement on file.

Watch for information from individual teachers.

We are peanut and nut aware, please do not send items containing nuts.
