Kodiak Winter Outside Club Permission Form 2024-2025

I, the parent _____ (or guardian) of _____ (Student's Name) in _____ class (Teacher's Name), give permission for my child to participate in the Canalta Kodiak Winter Outside club.

At times we have inside days and there are students who would like to go outside. This club will run on inside days for those who would like to go outside for fresh air and exercise.

To participate students, need to have proper outside gear (warm boots and socks, ski pants, jacket, toque, water resistant gloves (not thin knit ones) and a signed permission form. We also suggest a face covering. Risks includes exposure to cold, frost bite and other injuries associated with winter weather.

Supervisors will gauge the day and decide if we are able to go outside. Sometimes we are able to go out for the whole time, sometimes it may be a lap or two around the school so we can get fresh air.

Parent Permission:

We have read the information to parents explaining the curriculum, organization and purpose of this activity and acknowledge that School District #59 (Peace River South), through the Schools in the District, endeavors to enhance the educational activities and benefits available to the pupils in the School District by initiating and sponsoring and coordinating various special activities for which teachers and supervisors volunteer their time, and further acknowledge that I/We [parent(s)] understand and agree to assume all risks and hazards involved or arising out of such activities or transportation to and from such activities. Parents should feel free to contact the school with any questions concerning the activity.

I give my child permission to participate in the Kodiak Winter Club. My child is responsible to have and wear the proper outside winter gear to wear for cold weather.
