

Administration News

Welcome to a new year!

We had a great start to the year at CSS with trips to Gwillim Lake. We built a lot of community having fun together playing tracker, gaga ball, and climbing on the rock-wall.

We are excited for our new group of graduates. They already put together a great graduation committee- congratulations to all of the members.

The year has started with a positive note and we hope to continue to build community and support one another's success at school.

Truth and Reconciliation Highlights

Daily news updates and opinions

Students working on a mural for Truth and Reconciliation

Mr. Umaiyan's English First Peoples 12 class worked hard on an assembly that will brought together the community for recognition of the importance of truth and reconciliation. We have worked hard with a lot of students in the school to help support their vision for an assembly and a bulletin board to bring awareness. Many teachers have also been doing special lessons related to Truth and Reconciliation.

Our Assembly was on Friday the 27th at CSS. We are very thankful to all special guests and speakers that collaborated to make it a special day for all.

Sports

The latest updates

Volleyball season has started off in a busy way with a lot of out-of-town tournaments. We have a senior boys' team, junior girls' team, and a senior girls team. A huge thanks to Ms. Rainey, Ms. Auger, Ms. Norris, Ms. Rivard, and Ms. Ethier for all of their work building a great sport's culture at CSS.

Careers'

The latest updates

The careers' department is excited for a new year. We are trying to offer as many dual-credit, Youth-in-trades, and work experience opportunities as possible. We know that connecting with the community and learning together gives us the most success in life. Thanks to all of the sponsors in the community that support that work.

Literacy and Numeracy

The latest updates

We have been doing a lot of reading and writing. There are a lot of classes sharing stories in September and also doing a lot of daily writing. The first round of graduation assessments will be written by the English, Social Studies, and Math classes in January.
