Pouce Coupe Elementary School Food Drive: “HARVEST for HOPE”

Along with inspiration from Classroom Champions (an SEL program that encourages student growth in the areas of Goal Setting, Emotional learning, Community building, Perseverance, Teamwork, Feedback, Healthy Living and Leadership), our Pouce Coupe Elementary School Food Drive is underway to help support the Pouce Coupe Food Bank. We were excited to have Kayla and Mayor Veach as our special guest speakers to jump start our “HARVEST for HOPE” Food Drive with facts and inspiration.

Our Food Drive started on November 18th and will continue to December 13th. Each classroom is collecting donations. Our school goal is to reach 300 items. We gratefully acknowledge our first week’s total: 119 items.

Local businesses have joined our efforts to support our community Food Drive. Perhaps our school goal can be doubled.

Our Grand Total will be revealed after December 17th.

Thank-you for the many ways you support our School, the growth of children and the ways your support strengthens our community. When looking from one end of small acts of kindness, a person may never really understand the impact at the other end.

Thank-you for giving.
